NOTES:

- The RV Holding Tank Disposal Station is open for use by registered Winter Island Park Campers and Salem, MA Residents only.
- Storage Tanks removed from an RV and transported in another vehicle **WILL NOT BE ALLOWED TO DISPOSE OF THEIR WASTE AT THE DISPOSAL STATION.**

GUIDELINES FOR DISPOSAL:

1. Pick up the phone at the entrance to call the Operator on duty.
2. Inform the Operator that you are camping at the Winter Island Park or a Salem, MA resident.
3. The gate will automatically open once identity is verified.
4. Follow the posted signs to the RV Holding Tank Disposal Station.
5. When leaving the property, pull up within a few feet of the exit gate and it will automatically open up.
6. Open the combination padlock with the code supplied.
7. Open the RV access hatch and place your disposal hose into the hatch opening.
8. Connect the other end of the hose to your RV and proceed to dump your wastewater.
9. When finished, flush your hose out into the RV access hatch and clean up any spillage using the garden hose provided. **DO NOT ALLOW ANY RV WASTEWATER OR TRASH TO ENTER THE CATCH BASIN LOCATED NEAR THE RV STATION. THIS BASIN IS FOR STORM WATER ONLY.**
10. Return the hose to the rack, lock up the access hatch with the padlock.
